Good afternoon Mr. Greenbaum.

You will recall that in 2015 Assistant Attorney General William J. Selle of my office wrote to you regarding the continued utilization of five temporary employees by Tito Contracting at the Montgomery County Materials Recovery Facility. I have spoken to senior staff at the Maryland Environmental Service, and I would like to reiterate that because of poor performance by each of the employees named in that letter, MES would not want any of them to be assigned to work at any MES facility.

Cordially,

Sean L. Coleman
